$500,001.^{00}$ to $1,000,000.^{00}$	$3,233.^{70}$ for the first $500,000.^{00}$ plus $4.^{75}$ for each additional $1000.^{00}$
$1,000,001.^{00}$ and up	$5,608.^{70}$ for the first $1,000,000.^{00}$ plus $4.^{15}$ for each additional $1000.^{00}$

1 The Plan Review fee covers up to (2) two reviews of the same plan which have been corrected by the design professional to achieve compliance with the UCC requirements. If additional reviews are required beyond (2) two reviews to determine compliance then additional charges shall apply. This additional work is charged at 50% of the original plan review fee for non-residential. Accelerated reviews will be quoted upon request, based on time line, minimum of 100% adder.

Values are based on all Equipment, Labor and Materials, contracts may be required as justification of pricing to perform the completed installation. ICC Building Valuation Data Tables may be used to justify job value's submitted based on use group, type of construction and square footage

Failed Inspections: Re-Inspection Fee = $125.00/ per event. (Invoiced to applicant)
