RE: Toll Brothers - Crebilly Conditional Use Application, John Snook Recusal Request

Dear Board of Supervisors:

On behalf of Toll PA XVIII, L.P., I hereby request that John D. Snook, one of the Township's regular planning consultants, be precluded from reviewing and considering the above-referenced Conditional Use Application. Mr. Snook currently sits as a Board of Supervisor in East Bradford Township where Toll Brothers has a pending application over which Mr. Snook will render a determination in a quasi-judicial capacity. As such, Mr. Snook has a conflict with respect to matters regarding Toll Brothers in other municipalities. He should not be permitted to review the Crebilly Conditional Use Application pending in this Township if he is adjudicating other Toll-related matters in a quasi-judicial capacity.

Therefore, kindly confirm in writing that the Township will utilize the services of its other regular planner, Thomas Comitta, in reviewing the Crebilly Conditional Use Application. Thank you.

Sincerely yours

Gregg I. Adelman
